Corrina Township
9801 Ireland Ave NW
Annandale MN 55302

Attn: Planning and Zoning

To Whom It May Concern:

We are writing with our concerns with the Louis Lee project at 8050 Griffth Ave NW.

1. The size of the house has to stay within the Corrina Township ordinances for the setbacks and impervious coverage for the lot.
2. The septic system must be brought up to code for a larger house per the guidelines of Corrina Township.

On a personal note, we are concerned that with a larger house that it will bring in more unscrupulous people to take advantage of Louis. With those people come drugs, violence and police presence. Making for a very unsafe neighborhood. This is the reason that we do not feel that the house should be any larger then it was.

Sincerely,

Paul Mielke
